“Mentors Change Lives”

Students: Please give this Mentor Application to someone that you trust and look up to, someone who will be a friend, role model, and a good listener. Please go on our website www.grizzlyyouthacademy.org and click on the “Mentor” tab at the top of the page and look at all of the information about picking a mentor.

The Mentor should be: A legal resident of California, 25 years or older; employed, in school, or retired; a good role model; the same sex as the cadet; should be living within 50 miles of the cadet; A role model who demonstrates by example the types of life skills, work ethics and attitudes needed to be a productive member of society.

The Mentor may not be: living in the same house as the cadet; may **not** be the parent of the cadet’s boyfriend or girlfriend; or NOT the boyfriend or girlfriend or ex-spouse of the cadet’s parent; should not be a close relative where the family dynamics might get in the way of the relationship. (Call the mentor coordinator at 800-926-0643 with any questions.) Good choices for a mentor might be a teacher, counselor, coach, minister, family friend, retired person, etc.

To the Mentor Applicant: Thank you for considering being a mentor for a Grizzly Candidate. The rewards are well worth the time involved. It is a serious commitment, so think it over carefully. Mentor Application and Program Explanation

(Sign and return with complete application)

Check out our website for more information: www.grizzlyyouthacademy.org

Grizzly Youth Academy is a unique opportunity for a young person who has dropped out, or is struggling in school. It truly is a "second chance" to turn a life around. A very important part of this program is the involvement of mentors. When a cadet has a mentor who is committed to help him succeed, he or she is much more likely to finish the program and return to his/her community as a productive citizen. We know that your time is precious, but this opportunity is life changing.....for both of you. Please call if you need more information. Here is a brief description of what is involved in the Mentor Program at GYA.

- Each student must provide ONE complete Mentor Application, to be accepted into the program. The Mentor Application must be submitted with the student's application. A "friendly match" where the cadet and mentor know each other is recommended.
- The mentor will attend one mentor training session at Camp San Luis Obispo. Training is a requirement and happens after the cadet is accepted to the academy. You will be notified in writing of the available training dates that you may select from. The training will take place on a Friday, Saturday, **OR** Sunday.
- Mentors and cadets **MUST** communicate during the residential phase. Cadets will be making phone calls to mentors after they have been "matched". Mentors and cadets will be writing letters or e-mail.
- Mentors are invited to visit their cadets on specified days. Visits are not mandatory, but encouraged. We understand that many of you live very far from San Luis Obispo so if you can't visit, you should be writing or e-mailing your cadet often to keep up the relationship while the cadet is here.
- The cadets will develop a "life plan" or MAP (their goals for the future) while at Grizzly. Mentors will get a copy of the MAP and review it often with the cadet during the 12 month phase after returning home.
- The mentor and cadet must live within a 50 mile radius of each other when the cadet returns home so that they can meet regularly to maintain the relationship. After the cadet returns **HOME**, we prefer 4 meetings a month face to face, by phone, by e-mail or letters. These should total at least 4 hours a month. This commitment, including the residential and post-residential phase is a total of 17 ½ months.
- Mentors will play an important role encouraging the cadet to enroll in school, get a job, and stay on the right path (these are cadet requirements for the post-residential phase).
- The mentor will send a report to the Academy once a month for 12 months following graduation. This can be done on-line, mailed, faxed, phoned, or e-mailed to your assigned case manager at GYA. It is very short and easy. We will be available for you for the entire time.
- Grizzly Youth Academy must report cadet statistics to the Congress of the United States to show that this program is making a difference. The mentor report is critical to this process and the continued funding of the program. **Most of all**, the mentor and cadet should have fun and develop a relationship that is rewarding for both of you.

I have read the Mentor Program Explanation and understand what is required.
