Students

The Grizzly Challenge Charter School Board of Directors is committed to maintaining a safe school environment that is free from harassment and discrimination. Sexual harassment targeted at any student in a Grizzly Challenge Charter School (GCCS) educational program or school-sponsored or school-related activity is prohibited. Retaliatory behavior or action against any person who reports, files a complaint, or testifies about sexual harassment or who otherwise supports a complainant in alleging sexual harassment is also prohibited.

Students who feel that they are being or have been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult, or who have experienced off-campus sexual harassment that has a continuing effect on campus, are strongly encouraged to immediately contact their teacher, the principal or program administrator, GCCS's Title IX Coordinator, or any other available school employee.

Any employee who receives a report or observes an incident of sexual harassment shall notify the Title IX Coordinator so that steps may be taken to investigate and address the allegation in accordance with law and related GCCS regulations.

Once notified of a complaint or allegation of sexual harassment, the Title IX Coordinator shall ensure that it is addressed through GCCS's Title IX complaint procedures or uniform complaint procedures (UCP), as applicable. Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration under state law, the Title IX Coordinator shall ensure that any implementation of the Title IX procedure concurrently meets the requirements of UCP.

The Title IX Coordinator shall offer supportive measures to the complainant and respondent, as deemed appropriate under the circumstances.

Upon completion of an investigation of a sexual harassment complaint, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion pursuant to Education Code 48900.2, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.
